

Notification for the Issuance of Acceptance Letters and Payment of Registration Fee for Non-ISCP Members

The review committee has recently completed reviewing applications for participation in the upcoming ISCP conference. After reviewing the individuals and group proposals, we have sent formal acceptance letters to those who have been accepted.

Please note that **Non-ISCP members** whose papers have been accepted are expected pay a registration fee (settled in RMB) in order to participate in the conference. The system for registration and payment has already been opened. Participants should click "registration" on the homepage of the conference website to register and pay the registration fee. The registration is deemed successful when the payment is completed.

To participate in the conference participants must confirm their identity information with payment-related records and identity-related documents (student ID, ISCP membership, or other related documents), after which participants will receive relevant materials for participation in the conference.
